

CRYSTAL INTERNATIONAL SCHOOL

ANNUAL REPORT 2024- 2025

“Education is not the filling of a pail, but the lighting of a fire.” — W.B. Yeats

” I am indeed honored to have this opportunity to present before your consistent upward graph of our school's achievements and I would like to thank each one of you for being a significant part of this glorious journey.

The Annual Report showcases the achievements and glories of our school undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

ACADEMIC ACHIEVEMENT

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great”

As the school does not have board-exam classes at present, academic efforts during the year were focused on strengthening conceptual understanding, foundational skills, and continuous assessment. Students were evaluated through periodic tests, projects, and classroom participation, showing steady academic progress. The forthcoming academic year will mark a significant milestone for the school, as it prepares its first batch of Class X students for the Board Examination. Focused academic planning, structured assessments, and dedicated guidance will be implemented to ensure their success.

KINDERGARTEN

The Kindergarten section of the school focused on creating a joyful, safe, and stimulating learning environment for young learners. Emphasis was laid on learning through play, activities, stories, rhymes, and hands-on experiences. Through a blend of structured and creative activities, children developed foundational skills in language, numeracy, social interaction, and motor coordination. Special attention was given to nurturing curiosity, confidence, and good habits, ensuring holistic development during these formative years.

SCHOOL ACTIVITIES

“All work and no play make Jack a dull boy”

Various Co – Curricular Activities are held to develop a child physically, morally,

socially and mentally and to hone skills in co- scholastic areas, regular Inter House Activities were held in which the students participated and display their calibre.

Staff Development

CIS family consist of well-trained, experienced and dedicated teaching staff, administrative staff and supporting staff.

Staying updated is the key to success in any field especially in the field of education. Our teachers including our principal constantly strive to stay updated by attending workshops and various training programs.

Infrastructure

We have upgraded our infrastructure facilities including our computer lab, science labs and library. Currently, we have a Science lab, Computer lab with internet facilities and a fully equipped library. Under the smart class project, we have converted our all classes into digitally smart classes and this year we have introduced Extra marks also.

Many milestones have been achieved and many still have to be reached. We at Crystal International School will continue our unceasing efforts to mould the young minds into well balanced personalities with confidence and zeal befitting the standards of this portal of education.

This report is a sincere attempt to showcase our progress in terms of achievements and activities during the year.

At the end as we recount our success with pride and happiness, we wish to dedicate all our achievements to the committed effort of a committed team called Crystal International School.

**Thank you
Anjna Sharma
Principal**
